No, it is not required, but it is helpful to have some experience camping and setting up a tent. There will be staff members to help if needed.

How big are the campsites? Can I pick my site?

Campsites are 10-by-10 feet, located in a level grassy. You will have the choice at registration to select if you will supply your own tent or if you will be needing one. Sites are assigned on a first-come, first-served basis based on registration.

Muzzy field is located in downtown Bristol, situated amongst neighborhoods and main roadways. The camp sites are located on the outfield within the facility. There are typically fewer cars passing by overnight but be aware that campers may hear emergency vehicle sirens or some cars passing by in the distance.

What is the weather plan during outdoor campouts?

If severe weather (flash flooding, strong thunderstorm, tornado) occurs during the night, inside shelter will be provided.
