INSIDE THE FACILITY

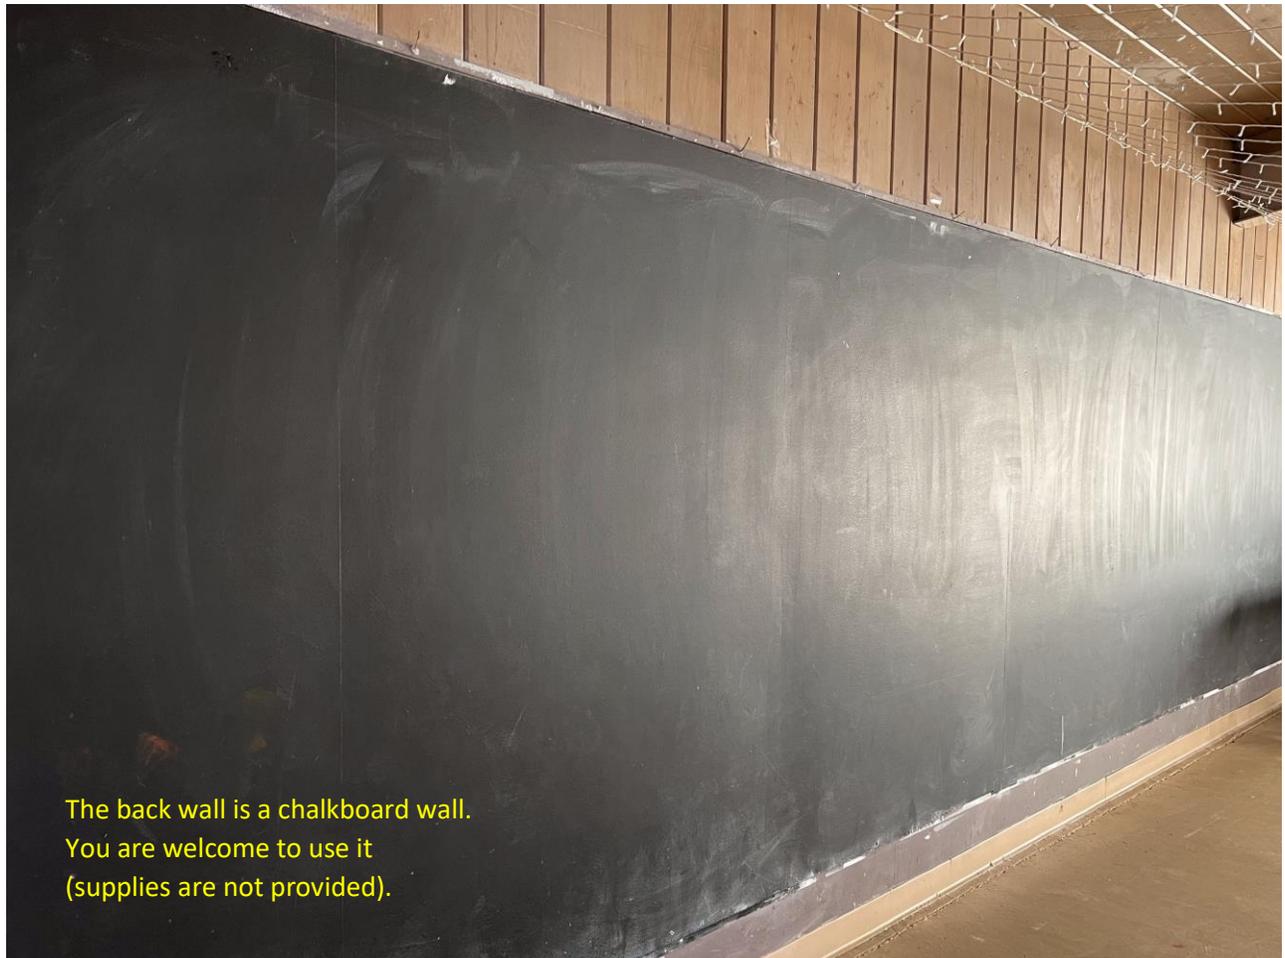

The fireplace is operational – we would need advance notice if you would like to use it. (Supplies not provided)

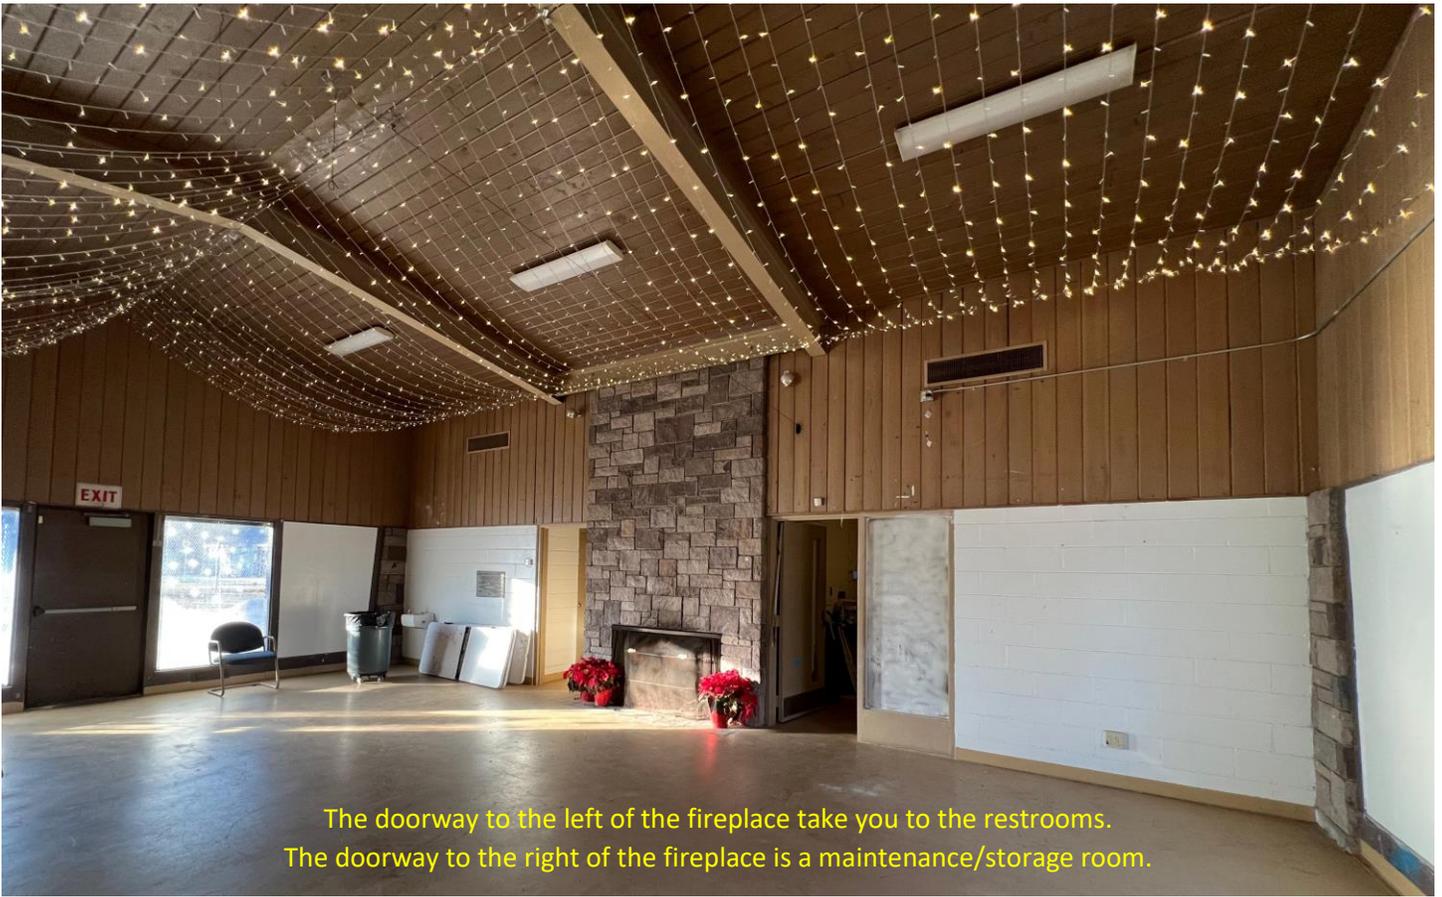

The windows in these photos have artificial snow on them leftover from last weekend's Winter Wonderland – they will be cleaned prior the rental.

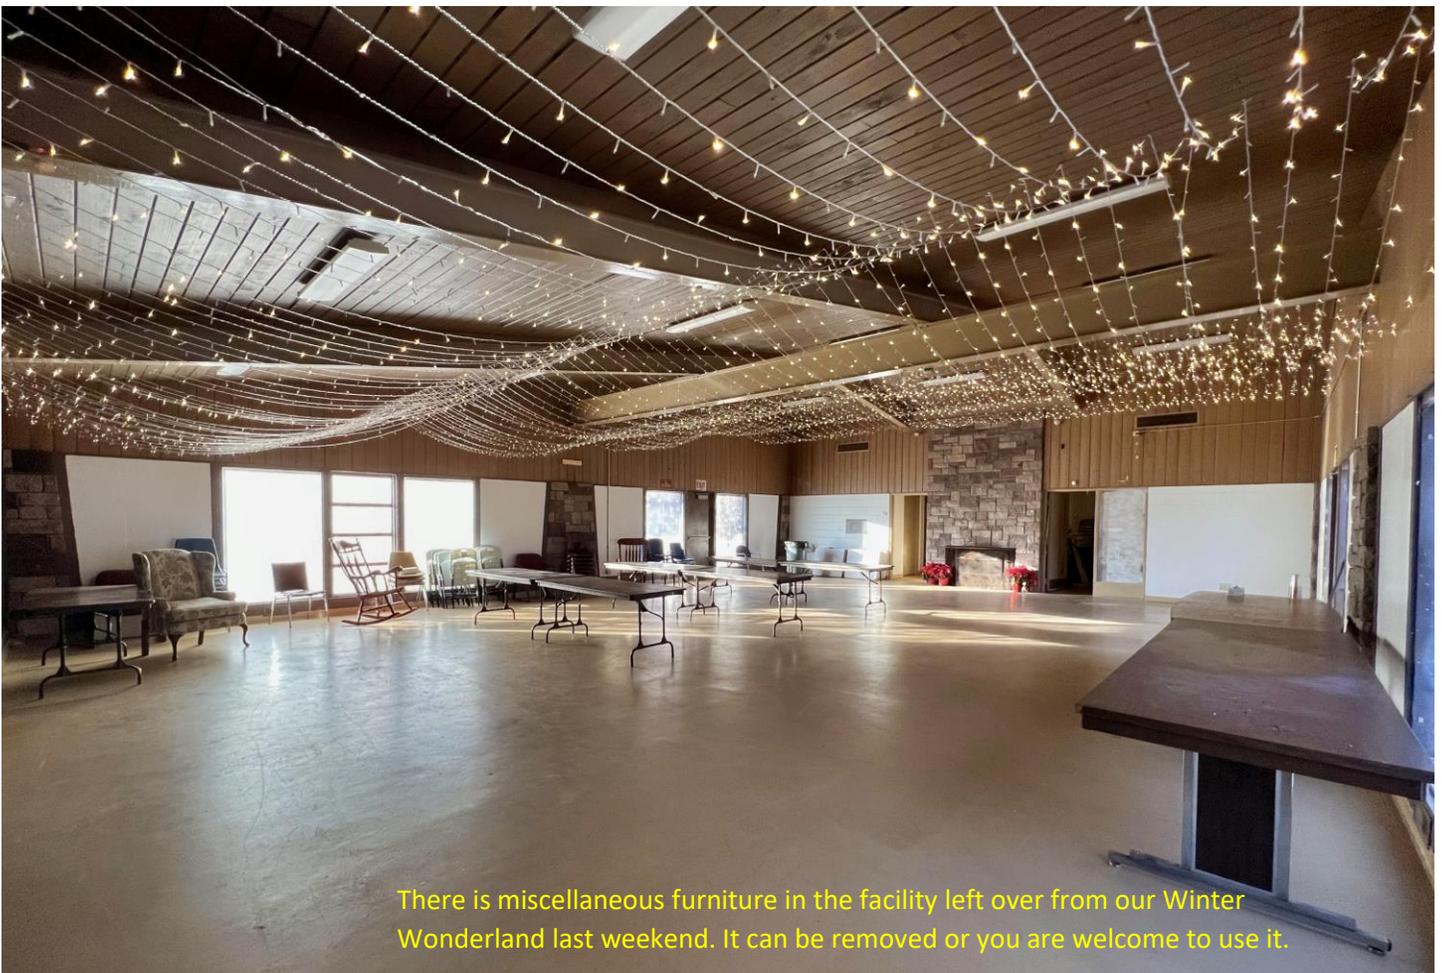

The lights on the ceiling stay up year round – they are not removed for individual rentals.

The back wall is a chalkboard wall.
You are welcome to use it
(supplies are not provided).

The doorway to the left of the fireplace take you to the restrooms.
The doorway to the right of the fireplace is a maintenance/storage room.

There is miscellaneous furniture in the facility left over from our Winter Wonderland last weekend. It can be removed or you are welcome to use it.
